## ADOBE SYSTEMS

Email Id: [ratish1992@gmail.com](mailto:ratish1992@gmail.com)

Contact No: [+91-8861220892](tel:+91-8861220892)

Date of Birth : 22nd March, 1992

Bachelor of Technology

Computer Science and Engineering

National Institute of Technology (NIT), Jalandhar

### A BRIEF OVERVIEW

- ✓ Overall 7+ Years of Experience in Enterprise Software Development.
- ✓ Experience with Product Development Lifecycle and Delivery
- ✓ Commercialized Web Service in Samsung Galaxy S6.
- ✓ Good understanding of Data Structures and Algorithm's.

### PROJECTS

- **ADOBE SYSTEMS** (April 2018- Present)
  - ✓ **Project: FORM DATA MODEL (AEM Forms)** - Solution for auto generating data capture experiences from heterogeneous data sources, from where the form can be pre-filled or the submit data needs to be stored).  
**Technology Used:** JAVA
    - Developed connectors that provide capability to extract Metadata and execute operations/services to external sources via REST, ODATA and JDBC.
- **INFORMATICA** (March 2016- April 2018)
  - ✓ **Project: EIC (Enterprise Information Catalog)** - Universal metadata catalog for users to easily search and discover data properties, patterns, domain, lineage and relationships.  
**Technology Used:** Java, Hadoop, REST, Maven
    - Developed scanners that provide intensive capability to extract Metadata from external sources Microsoft SQL Server Integration Service and SAP BO and ingest metadata in Catalog.
- **SAMSUNG R&D INSTITUTE BANGALORE** (June 2014- March 2016)
  - ✓ **Project: One Touch Web** - Highly scalable service to provide region based popular sites to users while browsing.  
**Technology Used:** Java, Amazon Web Services, Maven.
    - Developed utility to fetch and update region based data periodically from Alexa.
    - Designed and created deployment schema which ensure scalability and availability of service in 4 regions of AWS using ELB, Route 53, CloudFront etc.

### EDUCATIONAL QUALIFICATIONS

Education	Board/Stream	Institution	Year	CGPA
Bachelor of Technology	Computer Science and Engineering	National Institute of Technology (NIT) Jalandhar	2010- 2014	7.3
Class XII	CBSE	Rose Mary Convent School	2010	77.10%
Class X	CBSE	Delhi Public School	2008	89.60%

### TECHNICAL SKILLS

- ✓ Java, Maven, Hadoop Fundamentals, Basic SQL

### ACHIEVEMENTS

- ✓ Awarded "Adobe SPOT Award" for customer enablement via feature enhancements.
- ✓ Awarded "Samsung SPOT Award" for contribution toward commercialization of service in Galaxy S6.
